Mr. Seymour Lawrence, Director
THE ATLANTIC MONTHLY PRESS
8 Arlington Street
Boston 16, Massachusetts

Dear Mr. Lawrence:

There is no reason for you to come to Washington on a special trip in order to discuss a proposed biography of my brother, John Foster Dulles.

Since you plan to be here in April 1960, I shall be pleased to see you during that month on a date that would be mutually agreeable, which we can arrange a week or so before you plan to be in Washington.

Thank you for your interest.

Sincerely,

SIGNED
